1 (21.9 ounce) can of cranberries Instructions Preheat the oven to 325 degrees Fahrenheit and cut the blackberries in half. Place one half on a baking sheet, then cover with foil and bake for 15 minutes. Meanwhile prepare the jam: combine the apple cider vinegar, black coffee, maple syrup and brown sugar in a small bowl. Beat well with an electric mixer until the sugar is very moist and the cinnamon smells good. Add the butter to the cream mixture and beat to combine. Slowly whisk in the apples until the jam is creamy and smooth. Pour the dry mixture into the jam and drizzle with maple syrup and apple cider vinegar. Bake for an estimated 1 hour at 325 degrees F (176 degrees C), until the syrup is completely dissolved with the jam. Place the sliced bananas, sliced carrots and chopped pecans on top of the jam. Allow to cool at least 15 minutes.
